

WP5 SDG Challenge Award „Scout for GreenApprenticeship“ **Scouts4GreenApp-Challenge-Application**

This Scouts4GreenApp application form is designed to help you develop and present a sustainability concept that aligns with the project's goals of integrating ecological, economic, and social sustainability into vocational education and training in the workplace.

Sustainable Development concerns us all – but many people are not aware of how much they influence their environment with their daily actions! Show us how you consciously practice ecological, economic and social sustainability in your everyday vocational training – and win one of 3 attractive awards as well as a sponsored trip to the EU Skills Week 2025 in Brussels!
